Standard Terms and Conditions of Event Participation

Abridged version of the 'Standard Terms and Conditions of Event Participation' regarding participation in fairs, exhibitions and other events organised by or in cooperation with Amsterdam RAI.

Application for stand space

- An applicant / participant (hereinafter referred to as 'Participant') declares, by means of a fully completed application form submitted to the organisers, that he/she is in agreement with the conditions of participation in force for the fair, exhibition and other event (hereinafter referred to as 'the Exhibition') contained in the relevant 'Conditions of Participation' (the entirety of the Specific Terms and Conditions, the Standard Terms and Conditions, and the Rules and Regulations).
- No right to allocation of stand space may be derived from the application. In special cases the organisers may decide not to process an application, to allocate less stand space than has been applied for, to alter allocated stand space or to withdraw an existing allocation without the Participant being entitled to claim compensation for damage incurred.
- The information requested on the application form must be provided in full. Without being liable to pay any compensation, the organisers have the right to refuse any goods or services which have not been mentioned on the application form or which they consider inadmissible by virtue of the Conditions of Participation, or to have such goods or services removed from the Exhibition forthwith.

Cancellations

- The Organisers at all times reserve the right, due to special circumstances or if the organisation of the Event so requires, to change the dates and times of the Event specified in the Conditions of Participation, to change the stand space allocated to the Participant, to change the stand type and/or its location, without a Participant having the right to claim compensation for any damage.
- No application may be cancelled or altered unilaterally by the Participant. The organisers may grant a request to cancel or alter an application subject, among other things, to the condition that the Participant concerned pays a cancellation fee. This fee amounts, at least, to:
 - upon cancellation more than 365 days before the first Event build-up day: 15% of the Participation Costs;
 - upon cancellation in the period from 365 to 183 days before the first Event build-up day: 50% of the Participation Costs;
 - upon cancellation in the period from 182 to 63 days before the first Event build-up day: 75% of the Participation Costs;
 - upon cancellation in the period from 62 to 32 days before the first Event build-up day: 100% of the Participation Costs;
 - upon cancellation in the period up to and including 31 days before the first Event build-up day: 120% of the Participation Costs.
- Participation Costs are the costs payable by the Participant to the organisers for the stand hire and, if applicable, the stand build-up, plus the VAT due.
- In the case of cancellation for whatever reason, the Participant will always forfeit his/her application fee, plus the VAT due.

Stand hire and payment obligations

- Unless otherwise stipulated in the Conditions of Participation, payment must be made as follows:
 1. the application fee before or on the due date of the invoice in question;
 2. the Participation Costs in 2 instalments:
 - 25% of the Participation Costs;
 - 100% of the Participation Costs minus the abovementioned 25%; before or on the due date of the invoices in question.
- If the Participant does not meet his/her financial obligations, the organisers will be entitled not to proceed with the allocation of stand space, or to withdraw an existing allocation of stand space or not to make stand space available, without prejudice to the organisers' claim for full payment of the amounts due.
- The organisers are entitled to contract out the collection of the amounts owed by the Participant, in which case all costs will be borne by the Participant, plus the statutory interest and extrajudicial costs of collection amounting to 150% of the principal.

Liability

- All goods, including packaging, which are present in the Exhibition Building and belong to the Participant, his personnel or others involved, are at the expense and risk of the Participant. The organisers do not undertake the insurance of the goods. The organisers are not liable for any damage or injury from whatever cause to goods or persons caused by or connected with participation in the Exhibition, unless there has been intent or gross negligence on the part of the organisers. Nor can the organisers be held liable for damage to third parties caused by the use of the stand by the Participant or his/her staff or by persons working on the instructions of the Participant. The Participant shall indemnify the organisers against all claims by third parties on this account.
- The Participant is liable for and must take out adequate insurance against any damage caused in any way whatever by acts or omissions on his/her part or on the part of his/her staff or persons working for him/her or on his/her instructions or caused by his/her exhibits or goods. The Participant shall indemnify the organisers against all claims for which they may be held liable by third parties.

Final provisions

The organisers may, without giving notice of default and without recourse to the courts, take one or more of the following measures against a Participant who breaches any provision of the Conditions of Participation or fails to comply with a direction given by or on behalf of the organisers (such measures being taken at the expense of the Participant):

- refuse the person(s) concerned admission to the Exhibition and/or the Exhibition Building with immediate effect;
 - have his/her stand closed and/or cleared;
 - keep possession of the goods displayed and of anything constructed or installed by the Participant;
